There has been an issue in regards to a meeting place:

Bunnie reports on possible places to host a meeting: Neither Shoeless Joes nor Crown Plaza will work.

Denise suggests Ballyorney Irish Pub. She will give the information to Judd, who will send out an email to everyone.

Ken suggests Famous Dave's, though parking and price could possibly be issues.

Bill Newman will look around at possible places.

Anyone with any ideas please let President Cy Ling know

We would like to welcome back our web master Tom Sizemore who has been ill the past few months. The website should be back up and running soon.

Anyone who sends emails to him please use BCCSWF in the subject.

Other business discussed:

If anyone would like a member roster, request a copy and Judd will email a copy to you.

Chuck motioned to adjourn at 7:33 p.m.

Respectfully Submitted, Destani Irland, Secretary
