

British Car Club Southwest Florida

Minutes July 14, 2020 Meeting

The meeting was called to order by President Cecil Carter at 6:30 pm. He introduced a new guest who became a member. His name is Greg Curson and he is a friend of members Marcia and Larry McCartt. He owns a '71 MGB.

The Treasurer Tom Brewsaugh was not able to attend, but sent his report. The minutes of the previous meeting are on the web-site and in the British Marque. Past Secretary Mary Newman took the minutes for the meeting.

Past Events

A few members went on the Tour of Pine Island that was sponsored by some members of the Austin Healey club that also belong to the BCCSWF. They had a total of 6 cars and they had a great day.

Breakfast at Penny's in Punta Gorda was a great success with 7 cars attending. Everyone liked the breakfast and apparently the pancakes.

The Celtic Ray luncheon had 13 people who braved the heat in their non-air-conditioned cars on a steamy July 11th. We were greeted by the friendly staff and were happy to be able to get into the air-conditioning. The food and drink was great as usual.

Future events

The club will meet for breakfast on July 25th at Marco's Diner on San Carlos Blvd and McGregor Blvd in Ft. Myers. The President will send out an e-mail with details.

Other upcoming events:

Safety Harbor Car Show will be held on October 24th.

Wheels Across the Pond Car will be held Oct. 31st.

The Jaguar festival has been cancelled due to the pandemic.

The meeting was adjourned.

Mary Newman
