

August 9 Meeting Minutes

Submitted by Mark Shlien

As both the President and Secretary were out of town, Mark Shlien ran the monthly meeting.

A few highlights from last evening:

The BCCSWF held their Club Meeting last evening at Famous Dave's BBQ.

We had 22 attendees (including Larry and Tom, current board members).

Three new members were in attendance including Randy Fogul, and Tony and his wife, Beverly.

The 50/50 Raffle was held.

Birthdays for the month of August were covered.

According to Larry, we now have 88 member accounts...and growing!

We discussed the breakfast at Haney's (positive feedback), and our upcoming event at Bahama Breeze. As it relates to this event, we have roughly 21 RSVPs and Mark will be resending the Invitation this weekend.

The Pool Party on September 10th was also covered including guests are requested to BYOB and a side or a dessert.

The Treasurer's Report was provided by Larry.

One thing I did want to mention, the room was not set up for the meeting. That said, the service was pretty quick.
