

BCCSWF Member meeting minutes - February 18, 2023

Note: Due to Valentine's Day falling on our usual meeting date, the members agreed to combine the monthly meeting with the monthly breakfast gathering.

President Hermann Schaller called the meeting to order at 10:35 am. There were 40 attendees with 5 British cars in the parking lot.

The discussion consisted of a review of the upcoming calendar. The club is increasingly active and we also have invitations to attend car events organized by others. Events hosted by BCCSWF are posted on the website.

Of note:

2/25 Cape Coral Charity car show - all British cars will be parked together (not a club event)

2/26 Chili Cook-off at Schaller residence

3/5 B.I.G. Show - registration cut-off is 2/19 (not a club event)

3/11 Monthly member meeting - time changed to 11:30 am so we can be present for the daily singing of the National Anthem at Mission BBQ

3/17 St. Patrick's Day event - club will provide corned beef and traditional veggies along with a vegan option. Soft drinks are BYOB

3/22 South member meeting - convenient for members in Naples/Collier County

3/25 Monthly breakfast

4/8 Cars Across the Pond (not a club event)

4/11 Monthly member meeting

4/22 Monthly breakfast - location TBD

4/26 South member meeting - convenient for members in Naples/Collier County

5/17 South member meeting - convenient for members in Naples/Collier County

On February 17, an email was sent out with a list of event ideas for members to vote on. Votes will be reviewed at the February 28 Board meeting.

Ron Lentz has offered to organize a scavenger hunt but is looking for someone familiar with the area to assist in planning.

Membership:

Several new members were in attendance:

Jim and Mary Thommen

Bill Reinheimer 1966 Triumph TR4A

With the new members, we have 90 active accounts and 176 members.

Treasurer:

Treasurer was unable to attend but it was noted that the January car show expenses were net positive for the club.

Respectfully submitted,
Isabel Mack
Secretary, BCCSWF
